**Synopsis:**

On 03/22/2013 at about 0930 hours Donald Shooter entered the YPIC School located at 3810 W. 16th St. After insisting he be allowed to talk to Danielle Munoz he was told he was not allowed in the class rooms. D. Shooter walked through the front lobby area and into the class room of D. Munoz. In the class he approached in a visibly angry manner toward D. MUNOZ and put his finger in her face while telling her "my name is Donald Shooter, I am here to .... You have my grandson in your class and let me tell you." Shooter was interrupted by Theresa Dover and was told several times he had to leave. Shooter's actions disrupted the class and caused D. MUNOZ to be afraid for her safety and the safety of the students in her classroom. I have been unable to contact D. Shooter. Follow up to continue.

**NARRATIVE:**

On 03/22/2013 at about 1500 hrs I was dispatched to 3834 W. 16th St. (YPIC School) to make contact with PATRICIA ROMANT. When I arrived on scene I contacted P. ROMANT in the administrative offices. She brought me into a large office where I also met with the victim, DANIELLE MUNOZ.

P. ROMANT told me that earlier today at about 0930 hrs DONALD SHOOTER arrived at the building which houses the classroom where DANIELLE MUNOZ is the teacher. ROMANT told me D. SHOOTER first made contact with the school's Registrar, AMBER CYGAN, at the front desk. D. SHOOTER told A. CYGAN that he was there to talk to D. MUNOZ. A. CYGAN told him that he would have to make an appointment because she was busy teaching a class. He then told her that he was DON SHOOTER and repeated he was there to speak with D. MUNOZ. While A. CYGAN got distracted by an incoming phone call, D. SHOOTER walked past A. CYGAN and down the hallway toward the classroom. Once inside the classroom D. SHOOTER interrupted the class and approached D. MUNOZ.

D. MUNOZ told me that while she was teaching class D. SHOOTER came into the class interrupting and approached her. She said that he came close to her (about an arms length) and pointed his finger in her face. She could tell by his demeanor that he was upset and seemed confrontational and aggressive. D. SHOOTER said to her "Are you the teacher of this classroom?" D. MUNOZ told him that she was. He then said to her "My name is Donald Shooter, I am her to..." D. MUNOZ said at that point he was interrupted by her when she extended her hand and introduced herself by saying "My name is Danielle Munoz, it's nice to meet you." D. SHOOTER then said "you have my grandson in your class, and let me tell you..." while still pointing his finger in the face of D. MUNOZ.

At that point A. CYGAN came into the classroom and interrupted D. SHOOTER by telling him that he could not be in the class, and asked him to leave.

D. MUNOZ told me it was then that she stepped away from D. SHOOTER and grabbed her cell phone. She then started video recording the incident. She said THERESA DOVER also came into the classroom and got in between D. MUNOZ and D. SHOOTER. T. DOVER then told A. CYGAN to call 911.

After starting the video recording D. MUNOZ said to D. SHOOTER "Sir, I don't feel comfortable with you being here, and I'd like for you to leave." D. MUNOZ said D. SHOOTER looked at her and saw that she was recording him. After T. DOVER asked him to leave again, D. SHOOTER walked out of the classroom.

T. DOVER and A. CYGAN were not on scene while I was there. They did however prepare written statements which are attached to this report. P. ROMANT and D. MUNOZ also completed written statements and they are also attached to this report.

D. MUNOZ was visibly upset while she was telling me the information of the incident. I asked her if she was afraid of D. SHOOTER because of his actions and she said she was. She said that when he came into the classroom in the manner that he did, she was afraid for her safety and the safety of her student.

## **Summary**

Yuma Police Department  
ORI Number: AZ0140500

The four students who were in the class at the time of the incident where not on scene when I arrived there, so I was unable to interview them. Those students completed written statements which are attached to this report.

P. ROMANT told me that while D. SHOOTER was at the location he informed them that he was a State Senator and very influential man in Yuma and in the State.

P. ROMANT told me that she wanted a report to be filed so that this incident will be on record. I asked D. MUNOZ if she would like D. SHOOTER to be charged with assault. I explained to her that if someone acts in a way that makes you in fear of your safety it is actually assault. After much consideration D. MUNOZ told me that she did want to press charges against D. SHOOTER. I explained to her that I would forward the report to the City Prosecutor for that, and I also explained to her the process to obtain an Injunction against Harassment. D. MUNOZ told me that she will be going to the City Court to obtain one.

P. ROMANT told me that later on this date she received a phone call from the Charter School Association. She was told that D. SHOOTER called there and said he was at the Charter School (YPIC) earlier and that he had been angry when he went there to talk to his grandson's teacher. He just wanted the Association aware of the incident. I explained to P. ROMANT the school could send a letter to D. SHOOTER officially "trespassing" him from the location.

I had D. MUNOZ email me the video that she took of the incident. It was later downloaded onto a disk and entered into YPD Evidence. After completing all of the paperwork on scene I went to the Yuma Police Department and attempted to call D. SHOOTER. The only phone number I could find was to the wife of D. SHOOTER. I left a voice mail asking her to relay a message to D. SHOOTER that he contact me.

As of 03/36/2013 at about 1930hrs. I have not heard back from D. SHOOTER.

On 3/27/13 at approximately 1000 I was made aware of this investigation by Lieutenant WILLITS and notified it would be assigned to me to conduct any additional follow up that was needed.

I obtained a copy of the original report written by Sergeant Eric EGAN. I contacted YPD Records and obtained a copy of the attachments submitted by Sergeant EGAN. I then contacted YPD Evidence and at approximately 1047 hours obtained the two pieces of evidence submitted by Sergeant EGAN. Both items were CD's: item # 1-1783 video taken of SHOOTER and 2-1783 on scene interview.

I made two copies of each CD, one for the Prosecutor and one for my file. At approximately 1145 hours I contacted EOC Charter Schools and spoke to Patricia ROMANT, Operations Director of YPIC. I told her I would be heading to their school to conduct additional interviews. I returned both items of evidence to YPD Evidence at approximately 1152 hours.

I arrived at the school at approximately 1240 hours and met with Principal Brian GOSSENBURG. GOSSENBURG explained that he was not at the school the day of the incident, Friday March 22, 2013 due to a family emergency out of town.

GOSSENBURG explained that Donald SHOOTER's grandson, Dustin SHOOTER is a student at EOC. He was enrolled for the 4th quarter which started March 13, 2013. He went on to tell me that out of the 20 school days since the quarter started Dustin SHOOTER has only attended school 5 days.

GOSSENBURG explained that every new student must go through a day of orientation at which time they are given a copy of the school's handbook which includes their Code of Conduct. The handbook would have been explained to Dustin SHOOTER and since he is a minor his legal guardian would have had to sign a form indicating they had received and were aware of the contents of the handbook.

GOSSENBURG provided me with a copy of the handbook and directed me to the Code of Conduct section. The pertinent bullet point states "Student guests are not permitted. All visitors must log in at the reception desk. Visitors that are disruptive to function of the school will not be granted permission to visit. Parents and guardians are free to enter the school and class at any time after receiving a visitors pass. Identification is necessary to visit or release students. Visitors, to include parents and guardians, are not permitted to confront other visitors or students regarding school based on non-school based conflicts without consent of school administrator. Violation of this policy may result in the contact of law enforcement." A copy of the page which includes this bullet point is attached.

GOSSENBURG explained that the school does not currently have any signs directing visitors to report to the front desk of the school. He did however tell me Donald SHOOTER's wife is a long time teacher. It is common practice for schools to require visitors to check in prior to entering a school campus.

GOSSENBURG told me the school has video cameras but they are not always recording. He explained he has to manually start and stop recording video. Since he was out of town the day of the incident the cameras were not on and no video was recorded.

GOSSENBURG provided me with a copy of the campus layout and a diagram of the school and its classrooms. Both are attached to this report. He also provided me with several emails between school officials and Eileen SIGMUND, President of the Arizona Charter Schools Association.

In her email dated 3/22/13 at 1331 hours SIGMUND states that Senator Don Shooter, Chairman of the Senate Appropriations Committee had just called her regarding concerns he voiced about a teacher and the teacher's interaction

GOSSENBURG allowed me to use his office to interview the 4 students present in the classroom when the incident occurred. He facilitated those interviews and interviews with school staff.

On 3/27/13 at approximately 1331 hours I met with Adrian COVARRUBIAS in GOSSENBURG's Office at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked COVARRUBIAS to tell me what had happened the previous Friday.

COVARRUBIAS told me he was in class with 3 other students and MUNOZ. He said at approximately 0850 hours there was a knock on the door. He told me he believes MUNOZ opened the door which was closed but not locked. He said a man came in by himself and asked the teacher if she was Danielle MUNOZ. He told me MUNOZ told him she was and extended her hand to greet him. He said the man identified himself as Don SHOOTER. He described SHOOTER as being an older man.

COVARRUBIAS told me Amber CYGAN walked into the classroom behind SHOOTER and told him he was not allowed to just walk into the building. He said SHOOTER was told he had to exit the building. He told me SHOOTER replied that he was fine and that she (CYGAN) could join them.

COVARRUBIAS explained that SHOOTER walking into the classroom disrupted the class because it caused a big commotion and made a big scene. He said he was not sure who SHOOTER was and he felt his "blood pumping".

COVARRUBIAS said CYGAN walked away and Theresa DOVER walked in. DOVER also told him he had to leave the building. COVARRUBIAS told me SHOOTER had a mad expression on his face and became aggressive. He said the more SHOOTER was told to leave the angrier he became. He said SHOOTER looked frustrated.

COVARRUBIAS told me SHOOTER walked toward DOVER which caused DOVER to step back and yell for someone to call 911. He said SHOOTER tried to get by DOVER to get to MUNOZ. He told me SHOOTER was within 4 feet of MUNOZ and was pointing his finger at her. He told me his classmate [REDACTED] stood up and got between SHOOTER and MUNOZ. COVARRUBIAS also stood up but remained at his desk.

COVARRUBIAS said SHOOTER looked around the classroom. He told me SHOOTER looked confused and walked out of the classroom. He said SHOOTER had a loud voice but did not use profanity and did not verbally threaten anyone or anything. Once SHOOTER left they stayed in the classroom and MUNOZ locked the door. They tried to go on with the class but they were distracted. MUNOZ had to stop the class. COVARRUBIAS told me he has been a student at the school for 2 months and since he has been there had never seen anything like this happen.

On 3/27/13 at approximately 1344 hours I met with [REDACTED] in GOSSENBURG's Office at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked [REDACTED] to tell me what had happened the previous Friday.

[REDACTED] told me he was in class with 3 other classmates when at approximately 0900 hours somebody knocked on the door. He said the door was closed and someone opened it. He was not sure who opened the door. He told me an older white male in his 50's entered the classroom by himself. He described his demeanor as "really angry".

[REDACTED] said he thought it was an angry parent who wanted to talk to the teacher. He did not know the name of the man who walked into the classroom but from the description he provided it was clear he was referring to SHOOTER.

[REDACTED] told me SHOOTER wanted to talk to MUNOZ. He said MUNOZ told SHOOTER she could not talk to him

during class and told him he had to make an appointment. He said SHOOTER told MUNOZ he needed to talk to her right now about his son.

[REDACTED] said SHOOTER was loud and MUNOZ backed away from him. He told me DOVER walked in and told SHOOTER he had to leave. He said SHOOTER said he would not leave until he spoke to MUNOZ. DOVER said she would call the Police. CYGAN came into the classroom after DOVER.

[REDACTED] said SHOOTER walked towards MUNOZ and tried to put his hand on her. [REDACTED] told me he thought SHOOTER had gone too far at which point he got up and asked him to leave. He said SHOOTER was not yelling but was loud. He did not use profanity and did not verbally threaten anyone.

[REDACTED] described SHOOTER as being mad. He said MUNOZ looked very afraid and was trying to walk away but he kept trying to walk towards her. He told me he thought he was trying to grab her or pull her and that is when he jumped in.

[REDACTED] told me he got in SHOOTER's face and asked him to leave. He did not know what SHOOTER was going to do to MUNOZ but he never actually touched her. He said SHOOTER looked at him like he was mad and then walked out of the classroom.

[REDACTED] confirmed that prior to SHOOTER entering the classroom it was a normal school day. When SHOOTER came in angry it disrupted his learning and kind of disturbed his peace. He said it took a couple of days for things to get back to normal. It affected them because they did not get to learn.

I explained Disorderly Conduct to [REDACTED]. When I asked him if his peace was disturbed he said "kind of, yeah". He said he got mad once SHOOTER tried to put his hands on MUNOZ. He said his "blood pressure" went up. He told me he did not want to pursue charges for Disorderly Conduct.

[REDACTED] explained he has been a student at EOC for 1 year and has never seen or heard of something like this happening before.

On 3/27/13 at approximately 1357 hours I met with [REDACTED] in GOSSENBURG's Office at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked [REDACTED] to tell me what had happened the previous Friday.

[REDACTED] told me she was in class with 3 other students and her teacher during 1st period when a man she described as tall, chunky, balding, white and old entered the classroom. She said the classroom door was closed but unlocked. She told me man, whom through her description I identified as SHOOTER, was accompanied by another student whose name she could not remember. She described SHOOTER as having red eyes and looking mad.

[REDACTED] said SHOOTER did not knock, he just walked in. The other student who was accompanying him stayed outside of the classroom. It appeared to her that the student had guided SHOOTER to the class. She heard the student tell SHOOTER, "Yeah, its right there" and "Yeah, that's the teacher". She said SHOOTER asked the student "This is her?" and the student replied "Yeah".

[REDACTED] told me MUNOZ was teaching when SHOOTER walked into the class. He told her he was the father of a student and wanted to talk to her. MUNOZ told SHOOTER it was not the time to talk and asked him to leave and setup an appointment for a later time. She said SHOOTER was not loud and was not yelling or screaming. She described him as speaking in a normal tone of voice and did not use profanity.

[REDACTED] said CYGAN came into the classroom after SHOOTER and told him he had not listened to her and waited. She said SHOOTER had walked into the school and had not stopped at the front and walked into the class. [REDACTED] told me CYGAN called DOVER who in turn told CYGAN to call the Police.

[REDACTED] told me DOVER told SHOOTER to leave and make an appointment so see MUNOZ. She said SHOOTER was trying to get in MUNOZ's face so MUNOZ backed away. She told me DOVER tried to keep SHOOTER away from MUNOZ.

[REDACTED] told me she was "kind of scared" during the incident. She said he did not do anything to her but was "aggressive". She told me MUNOZ "looked scared big time". She said she thought something was going to happen. She said initially SHOOTER had his hands down but later put them up. She thought he was going to try to do something to MUNOZ. She thought he was going to hurt her.

[REDACTED] said SHOOTER pushed a desk and [REDACTED] had to move. SHOOTER was walking towards MUNOZ so [REDACTED] had to stand up and told SHOOTER to leave the room. She never saw SHOOTER touch MUNOZ but when he raised his hands she thought he was getting ready to do something to her.

[REDACTED] believed that if [REDACTED] had not intervened SHOOTER would have reached MUNOZ. She said he finally left after the school staff told him to leave and someone said they were going to call the Police.

She told me SHOOTER's action disrupted the school and her class. It took a while for things to get back to normal in class. His actions also disturbed her peace and she would like to press charges for Disorderly Conduct.

On 3/27/13 at approximately 1412 hours I met with Oscar VILLANUEVA in GOSSENBURG's Office at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked VILLANUEVA to tell me what had happened the previous Friday.

VILLANUEVA told me he was in class with 3 other students and MUNOZ when at approximately 0840 hours a guy he described as white, older and with white hair entered the classroom. He looked mad and was speaking in a higher than normal tone of voice. He did not use profanity. From his description I knew he was referring to SHOOTER.

VILLANUEVA said SHOOTER did not knock prior to walking in. He explained the classroom door was closed but unlocked. He said SHOOTER was accompanied by another student whose first name is Angel. He was referring to Angel MARQUEZ. He told me MARQUEZ remained in the hallway while SHOOTER walked in.

VILLANUEVA told me MUNOZ tried to shake SHOOTER's hand but she pulled her hand back. He said SHOOTER was trying to talk to MUNOZ but went about it the wrong way. He told me MUNOZ tried to talk to him but he kept trying to get closer to her. She did not feel comfortable and tried to move away.

VILLANUEVA told me SHOOTER did not stop at the front desk as is required. He said CYGAN followed SHOOTER into the classroom and asked him to leave. She told him he cannot just walk into the classroom. SHOOTER said he would leave after he spoke to MUNOZ. CYGAN and DOVER offered to setup an appointment for SHOOTER. DOVER told CYGAN to call 911.

VILLANUEVA said he thought SHOOTER was going to do something to MUNOZ. He was nervous about the situation but he did not think SHOOTER was going to harm the students. He said MUNOZ looked scared.

VILLANUEVA told me MUNOZ had moved in the classroom to her desk area. He said SHOOTER kept walking towards MUNOZ and at one point moved DOVER in trying to get to MUNOZ. At that point [REDACTED] got up and told SHOOTER

**VILLANUEVA** felt SHOOTER's actions disrupted his teacher. She was unable to get back on task in the classroom after SHOOTER left. He felt she was scared and was thinking about the incident.

**VILLANUEVA** said SHOOTER's actions did affect him during the incident but afterwards he was fine. He did not want to pursue Disorderly Conduct charges. He said he has been a student at EOC for 2 years and something like this had never happened before.

On 3/27/13 at approximately 1436 hours I met with Danielle MUNOZ in her classroom at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked MUNOZ to tell me what had happened the previous Friday.

MUNOZ told me she was in class teaching her 4 students when sometime between 0925 and 0930 she heard noise at her door. At the time she was facing her students with her back to the whiteboard. The door was closed but not locked. She looked at her door as it was opening and saw a man walking in she did not recognize. The man asked her if she was the teacher.

MUNOZ could not remember if the man knocked on the door but was sure no one had opened the door for him. She said the man did not have permission to enter the classroom and she was not expecting him.

MUNOZ said she told the man she was the teacher and he identified himself as Donald SHOOTER. She told me he was "puffed up" with his arms out by his body. She described his demeanor as aggressive, angry, intimidating and not friendly.

MUNOZ said he started to say he was there for something and she interrupted him to introduce herself. She reached out with her right hand trying to bring a "professional element" to the way he barged in through the door. She knew he was trying to confront her about something. She described him as upset and said "I wasn't pleasing him" even though she was trying to please him.

MUNOZ told me he looked semi-familiar. She was trying to place him and realized she had seen him once in her lifetime. She had taken a government class and he had been a guest speaker.

MUNOZ said SHOOTER reluctantly shook her hand and then put his finger in her face and said something like "You have my grandson in your class". She told me SHOOTER looked to the door which was open and she saw Angel MARQUEZ was there. She believed MARQUEZ is the person who led SHOOTER to her classroom. MARQUEZ was in the hallway outside the classroom door. As SHOOTER was looking at MARQUEZ she saw CYGAN walk up to the door.

MUNOZ told me CYGAN told SHOOTER he had to leave. She said SHOOTER was paying attention to CYGAN as she was talking to him. CYGAN was telling him that he needed to leave and that there were procedures to follows. CYGAN told SHOOTER she was going to have to call 911. She said CYGAN was being firm with SHOOTER.

DOVER then walked into the class past CYGAN and engaged SHOOTER. MUNOZ stepped back to give herself some space. She scooted by FLORES and walked to her desk and grabbed her phone to start recording. She said SHOOTER walked towards her and was pointing at her phone. She told me DOVER put her body between SHOOTER and MUNOZ. She said she began stepping back because SHOOTER was approaching her.

MUNOZ told me she created space and backed away because "I felt threatened" and "uncomfortable". She said it was a really ugly situation and she felt really scared because she did not know how to handle it or what to do. MUNOZ was very

emotional as she was recounting the incident.

MUNOZ said she did not know why SHOOTER was so upset. She did not want to deal with him right there because she was teaching. She told me she did not feel like it was a safe environment and was really uncomfortable.

MUNOZ told me she started recording SHOOTER with her phone because she did not want a confrontation and wanted him to know that the way he was approaching her was not okay. She thought that by him knowing he was being recorded he would change his actions or behavior.

MUNOZ said she did feel like he would hurt her or assault her because when she got away from him and went to her desk he came towards her. She felt uncomfortable and started backing up to create distance between them because she did not know what his actions would be.

I asked MUNOZ if at anytime SHOOTER made any movements that made her feel like he was going to assault her and she said yes. She told me SHOOTER brought his finger up to her face and moved his hands up to chest level. He invaded her personal space at one point was about a foot away from her.

MUNOZ said two of her students, [REDACTED] and COVARRUBIAS stood up while DOVER was asking SHOOTER to leave and for someone to call 911. As DOVER was escorting SHOOTER out of the classroom MUNOZ followed behind and closed and locked the door. She said she was in complete shock and did not know what do.

MUNOZ told me she kept on teaching trying to be strong and not break down. She was emotional as she was telling me this. She said she taught until class was over. After her students left she stayed in her room.

I asked MUNOZ if SHOOTER's actions had disrupted her and she said "absolutely". She said it was intrusive and not safe. She told me her students felt threatened and she believes they knew she felt threatened. She thinks they felt it was a bad atmosphere. She confirmed SHOOTER was not yelling, screaming, saying profanity or verbally threatening her but his actions, demeanor, posture and tone of voice were threatening.

MUNOZ said she was afraid during the incident and did not know what to expect. SHOOTER disturbed her peace and the peace of her classroom and students. She said he did not have a right to be in the classroom.

MUNOZ explained that visitors must check in at the front and get a visitor pass or permission before entering the school. She said the front desk employee will call a teacher to let them know there is a visitor. MUNOZ was not expecting a visitor that morning.

MUNOZ told me that whenever a parent wants to meet with her she schedules a meeting and makes sure someone, preferably a supervisor, is present. She told me nothing like what SHOOTER did has ever happened to her before.

In closing MUNOZ told me she felt afraid during the incident and wished it had never happened. She said the incident has affected her to the point that it will leave a lasting effect on her life and on her teaching. She told me she does not feel safe and her trust in the community has been betrayed to the point where she is considering other professions. She never expected to be put in a situation like this.

On 3/27/13 at approximately 1530 hours I met with Theresa DOVER in her office at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked DOVER to tell me what had happened the previous Friday.

DOVER told me she was in her office, which is near the front entrance to the school, when an unidentified student walked

by and told her there was a parent in the school. Her office door was open but she did not actually see the parent walk down the hallway. She assumes the student was sitting near the front desk when the parent initially came in.

DOVER said she ran toward the interior of the school assuming the parent had gone that way. As she was running down the hallway CYGAN was in front of her saying "sir, sir you can't go down the hallway".

DOVER said CYGAN reached MUNOZ's classroom first. She saw MARQUEZ by the classroom. He was not attending class that day but was with the parent. DOVER walked into the classroom past CYGAN and found a very agitated man talking to MUNOZ. She described the man as being white, approximately 60 years old, 5'10", well dressed with a little bit of gray. From her description I knew she was referring to SHOOTER.

DOVER told me SHOOTER was in MUNOZ's face telling her he had to talk to her right now and that he did not appreciate how she teaches his grandson. She said MUNOZ initially tried to greet him but almost immediately saw MUNOZ became fearful. SHOOTER told MUNOZ she should not be a teacher and that they were going to talk about it right now.

DOVER said she got in between SHOOTER and MUNOZ and tried to calmly tell SHOOTER he had to leave. She told him he was not going to have an interview with the teacher right then. DOVER told SHOOTER she would be happy to set up an appointment for later. She told me SHOOTER continued to be aggressive and agitated, which lasted 1 to 2 minutes.

DOVER told me she just wanted to get SHOOTER out of the classroom. She did not want anything to happen in the classroom. She said at that point she did not know who SHOOTER was. She told me she was not afraid for herself during the incident but looking back she said she should have been. She said she did not think about it as it was occurring.

DOVER described SHOOTER's demeanor as being aggressive and he kept moving forward toward MUNOZ. His tone of voice was very angry and intimidating. He was loud but did not use profanity or make verbal threats. She thinks he could hear what she was telling him but he was also talking.

DOVER told me MUNOZ walked around to her desk area and she remained between them. She told CYGAN to call 911. She said SHOOTER continued walking towards MUNOZ but once MUNOZ got her phone and started recording he backed away a little.

DOVER again told SHOOTER he had to set up an appointment. She said she told him this was not the time or place for this and that he needed to get out of the classroom. She noticed one of the male students get up and tell him to leave the classroom. She said SHOOTER then started to back down and walked out of the classroom with her.

She said that during the initial part of the incident all of the students remained seated. She explained that as SHOOTER became more aggressive the male students reacted by standing up. She believes once SHOOTER saw this it might have clicked that maybe he should not be in the classroom. She thinks the students would have done what was necessary to help.

DOVER walked SHOOTER to GOSSENBURG's office and explained to him this was not the time or place for this. He again told her MUNOZ should not be a teacher. SHOOTER told DOVER he had a lot of influence in town and with the Charter Schools. DOVER said his comments were intimidating to her. He also told her his wife was a teacher for 25 years and nobody should be teaching like that.

DOVER told SHOOTER she understood he was frustrated and offered to setup an appointment with the GOSENBERG for Monday. SHOOTER told her he would not be in Yuma Monday as he would be back in Phoenix. He provided her with his cell phone and she walked him out of the school. She thought the Police had been called but no one

**DOVER** said in the 6 years she has been at the school she had never seen something like this happen.

I was advised by GOOSENBURG that CYGAN had left for the day due to a family illness. He said she would be back the following morning.

I took photographs of the school including the entrance, the front desk area, the hallway leading to MUNOZ's classroom and MUNOZ's classroom.

I also took some measurements. From the front door of the school to the front desk where CYGAN sits is 10 feet. From CYGAN's desk to the front door of MUNOZ's classroom is 60 feet. MUNOZ's classroom measures 20 feet by 14 feet. Her classroom is small and has approximately 6 student chairs. For the layout of the school see the attached school diagram.

On 3/27/13 at approximately 1600 hours I met with Patricia ROMANT in her office at YPIC. The following is a summary of that interview. I asked ROMANT to tell me what had happened the previous Friday.

ROMANT explained that after she learned of the incident and found out SHOOTER was involved she wanted to get all of the information related to the incident to determine if she needed to call the Police. Once she determined SHOOTER's actions had disrupted the school she contacted the Police.

ROMANT told me that at approximately 1335 hours the day of the incident she received a call from SIGMUND. SIGMUND told ROMANT she had gotten a call from SHOOTER who was upset about the incident. She said SIGMUND told her SHOOTER had expressed to her that he had handled the incident in a bad manner and asked her to call the school's Principal to see if the situation could be resolved quickly and quietly.

ROMANT said she told SIGMUND they had SHOOTER's phone number and planned to call him on Monday. She told me GOOSENBURG did call SHOOTER and setup an appointment to speak to SHOOTER's daughter, the mother of the student.

On 3/28/13 at approximately 0945 hours I met with Amber CYGAN in GOSSENBURG's Office at EOC Charter School. The interview was audio recorded. The following is a summary of that interview. I asked CYGAN to tell me what had happened on Friday, 3/22/13.

CYGAN told me she was at her desk which is the front desk of the school. Her desk is approximately 10 feet from the front door of the school. At approximately 0930 hours a gentlemen walked in. She said she had an idea who it was because he came in with MARQUEZ. The gentlemen identified himself as Don SHOOTER and said he needed to talk to MUNOZ immediately.

CYGAN said SHOOTER came into the school really fast and seemed very determined and agitated. She said he knew what he was there for and acted like he did not have time for her.

CYGAN told me she told SHOOTER it would not be possible for him to talk to MUNOZ because she was teaching a class. She said she made eye contact with him when she told him this. She told him she could take a message and asked if she could help.

CYGAN said that at that moment she received a telephone call from a teacher and she turned around to look at the fax machine. Once she turned around SHOOTER and MARQUEZ were walking down the hallway towards MUNOZ's classroom. Her classroom is approximately 60 feet from the front desk.

CYGAN told me MARQUEZ was leading the way. She began to chase them telling him he could not go back there and needed to go back to the front. She said she was halfway down hallway when SHOOTER entered MUNOZ's classroom.

CYGAN said that when she arrived at the classroom she stayed near the entrance and found SHOOTER in MUNOZ's face, in her personal space. She said he was 5 or 6 inches from MUNOZ. She told me she thought this was not good. She said SHOOTER looked even more agitated than when he first came in. CYGAN told SHOOTER he had to leave the classroom.

CYGAN told me MUNOZ looked pretty startled and he was talking to her "pretty harsh". She said SHOOTER looked very worked up, he was red faced and upset. She told me he raised his voice wanting to be heard and to get his point across.

CYGAN said SHOOTER did not verbally threaten MUNOZ but his actions, specifically when he was in her face she felt he could hurt her.

CYGAN told me DOVER came in from behind and walked into the classroom. She said DOVER told SHOOTER he needed to get out of the classroom. She told me SHOOTER was red faced and agitated. She said she felt anxious and nervous and did not know what was going on. She said her heart was beating and SHOOTER was being irrational.

CYGAN described MUNOZ as having her eyes wide open and looking scared. It looked like MUNOZ had been caught off guard and did not know what to say. She said the students were very quiet and all seemed concerned for MUNOZ. She told me two students stood up from being nervous.

CYGAN said she went to the front desk and told student there to get back into their classrooms and lock their doors because the school may be going into lockdown. When she went back to the classroom DOVER had already gotten SHOOTER out and into GOOSENBURG's office. DOVER spoke to SHOOTER briefly then he left.

CYGAN explained she had dialed 911 but hung up because she thought things had calmed down. She said she hesitated but told me she would never hesitate again.

CYGAN told me SHOOTER's actions disrupted the school that day and it is still being felt to this day. She said MUNOZ's students had to be divided among the other teachers for the rest of the day. She told me the school is small and everyone works closely together.

CYGAN told me something like this had never happened before at the school.

On 3/28/13 at approximately 1056 I called SHOOTER's cell phone and left a voicemail message requesting he call me back. At approximately 1059 hours I called his office number at the Arizona Senate and left a message with his secretary to have him call me back.

At approximately 1301 hours I received a voicemail message from SHOOTER's attorney, Ed NOVAK, requesting I contact him regarding his client. I called back but NOVAK was unavailable.

On 3/28/13 at approximately 1337 hours I interviewed SIGMUND via telephone. The interview was audio recorded. The following is a summary of that interview. I asked SIGMUND to tell me about a conversation she had with SHOOTER regarding EOC Charter School on 3/22/13.

SIGMUND explained that she works for the Arizona Charter Schools Associations. Since SHOOTER is the Chairman of the Senate Appropriations Committee she interacts with him on behalf of the Association and its members. She felt SHOOTER was calling her due to his concerns with an EOC Charter School teacher.

SIGMUND told me SHOOTER did not tell her what had occurred at the school but had told her what his grandson had told him about his teacher. According to SHOOTER's grandson his teacher had demeaned him and made it a hostile environment for him. She told me she believes SHOOTER wanted her to be a liaison between him and the school.

I read to SIGMUND ROMANT's statement about SHOOTER wanting SIGMUND to contact the school and talk to the Principal because he was too angry to do it himself. SIGMUND explained that SHOOTER was upset regarding what his grandson had told him was going on at the school. She said SHOOTER was concerned and wanted to go to the Superintendent of Schools for Arizona.

I read to SIGMUND ROMANT's statement about SHOOTER wanting to handle the situation quietly. She explained that those were her words. She said she wanted to clear this up between SHOOTER and school. She did not want SHOOTER going to the Superintendent of Arizona Schools or the State Board of Charter Schools.

SIGMUND explained she did not have the schools side regarding the allegations by SHOOTER regarding his grandson and did not want him to present only his side to those authorizing agencies. She did not want the school to be looked at unfavorably.

SIGMUND told me that the word "quietly" was her word not SHOOTER's. She said SHOOTER was asking about calling the Superintendent and she did not want him involving outside agencies. She wanted the matter resolved between the school and SHOOTER without outside agencies becoming involved.

SIGMUND said there was absolutely no attempt by SHOOTER to use his influence to resolve the issue. She explained that she meets with SHOOTER on a weekly basis and they know each other well. She believes the reason he called her is due to their close working relationship and her work on behalf of Charter Schools.

SIGMUND told me that during the phone call with SHOOTER on 3/22/13 he did not tell her what had happened at the school. She said she did not know the Police had been called until the following weekend (3/23-3/24) when a fellow lobbyist called her.

I asked SIGMUND to describe SHOOTER's state of mind during the phone call on 3/22 and she said he was concerned for his grandson. SHOOTER felt he was being bullied, the teacher was verbally abusing him and it was a hostile environment for him. SHOOTER was upset and wanted to know what he needed to do to resolve the issue. She reiterated that there was no undue influence exerted by SHOOTER.

On 3/28/13 at approximately 1424 hours I spoke to NOVAK via telephone. He requested a copy of the Police report prior to scheduling an interview with SHOOTER. NOVAK completed a Public Records request for the report, which I approved. The report was mailed to NOVAK in Phoenix.

On 4/2/13 at approximately 1350 hours I placed 8 CDs into evidence, item numbers 1-3802 to 8-3802. The CDs contained the interviews with COVARRUBIAS, [REDACTED], VILLANUEVA, MUÑOZ, DOVER, CYGAN and SIGMUND.

On 4/9/13 at approximately 1000 hours I met with DOVER, CYGAN, VILLANUEVA, [REDACTED] and COVARRUBIAS at EOC Charter Schools. I asked them individually if they wanted to pursue charges for Disorderly

Conduct against SHOOTER. All adults except COVARRUBIAS wanted to pursue charges. I explained to the two juveniles I would be contacting their parents/guardians regarding pursuing charges.

I issued DOVER, CYGAN and VILLANUEVA a Victim Rights Form. I later contacted and met with the parents/guardians of juveniles [REDACTED] and [REDACTED]. I contacted Maria LOZANO for [REDACTED] and Miguel FLORES for [REDACTED]. Both wished to pursue charges and were issued Victim Rights Forms.

On 4/9/13 at approximately 1638 hours I received an email from NOVAK which contained a written statement on behalf of SHOOTER. The statement was in the form of a word document which I printed out and attached to this report. SHOOTER was not interviewed.

The first part of SHOOTER's statement provides background regarding the alleged verbal abuse by MUNOZ of his grandson and MARQUEZ. Since this investigation is regarding the events of the morning of 3/22/13 I will not cover that portion of his statement. The following is a summary of SHOOTER's written statement regarding the events of the morning of 3/22/13 at EOC Charter School.

SHOOTER states he went to the school to discuss the matter with the Principal. Upon entering the school he asked to speak to the Principal but was told he was out of town. SHOOTER then asked to speak to MUNOZ but was told she was also unavailable.

SHOOTER states the receptionist took a phone call and he attempted to talk with or schedule a meeting with MUNOZ directly by going to her classroom. Due to his work obligations in Phoenix and he not being in Yuma during normal business hours he felt an urgency to resolve the issue so his grandson did not miss any additional school time. He also felt that a second guardian's attempt to resolve the issue would emphasize the gravity of the situation to the teacher and administration.

SHOOTER states he entered MUNOZ's classroom, identified himself as Dustyn's grandfather and requested to speak to MUNOZ. He wrote that he told MUNOZ "If half of the student's allegations are true, this is very disturbing and we need to discuss this". SHOOTER stated MUNOZ responded "I will not discuss any of this with you".

SHOOTER states he told MUNOZ "I am not leaving until someone addresses these issues with me". At that point the receptionist and counselor walked in and told him to leave. He states that when he turned to address them MUNOZ began recording the incident with her phone.

After being told to leave SHOOTER states he said "I don't want to leave until someone addresses these allegations with me". He states the counselor agreed to discuss the matter with him if he would leave the classroom and go to her office. SHOOTER agreed and they went to her office where he provided his cell phone number and requested the Principal call him as soon as he returned on Monday. SHOOTER states he then left.

On 4/12/13, in response to an email from NOVAK, I notified him DOVER, CYGAN, VILLANUEVA, [REDACTED] and [REDACTED] had been changed from witnesses to victims and they had requested their Victim Rights.

On 4/16/13 at approximately 1105 hours I met with Maria MARQUEZ, grandmother of Angel MARQUEZ, at her residence. She knew I was there to see her grandson regarding the incident at the school. Her grandson was not home but she agreed to have him call me so I could interview him regarding this incident. I explained to her that I wanted to interview her grandson as a witness to the incident.

On 4/18/13 at approximately 0845 hours I spoke to Maria MARQUEZ via telephone. She told me she gave her grandson Angel MARQUEZ my card, which included both my desk and mobile numbers, so he could call me. She gave him my [REDACTED]

As of 4/18/13 at approximately 0900 hours Angel MARQUEZ has not contacted me. If he does contact me at a later date I will complete another supplemental report covering his interview.

I changed the status of SHOOTER from Investigative Lead to Suspect. I changed the status of DOVER, CYGAN, VILLANUEVA, [REDACTED] and [REDACTED] from Witness to Victim.

I added the additional charge of Disorderly Conduct and changed the Criminal Trespass charge from 3rd Degree to 2nd Degree.

Case remains open and active.
